This year, we will once again be taking the children to the pantomime at The Place Theatre. The trip will be on the 11th December and costs £13.

Parent Pay is now open! Please can we ask that you reserve your child's place as soon as possible to avoid disappointment.

Meet your Safeguarding Team

We are delighted to introduce you to the members of our Woodlands Safeguarding Team. These children work very closely with Mrs Bailey and Miss Crilly, helping school staff to teach children how to keep themselves and others safe, in school, at home, when they are around in the community and when they are online.

The Woodlands Safeguarding Team have a very important job. This involves learning about and discussing lots of different issues, current affairs and topics. Their work includes ensuring children are taught about staying safe online, about bullying; including cyber bullying, racism and homophobic bullying, as well as recognising different types of abuse.

The children have been chosen because they are good role models to their friends, they have shown they are kind and caring and have demonstrated they can be sensible and thoughtful when dealing with difficult topics and subjects. Last year the children were involved in lots of different projects – this is just a few examples of the work they did:

- Supporting Telford Crisis Support
 - Leading activities focussed on mindfulness during Mental Health Awareness week
 - Judged 'Woodlands Bake Off' to raise money for Children In Need
 - Met with Linda our local C.S.O and completed an assembly about how to stay safe when out alone in the community
- We look forward to continuing to this fantastic work

A huge well done to all of our children in EYFS! We are so pleased that they have had such a fabulous first week, and have settled really well!

It was great to see so many parents from year 1 enjoying a school dinner with their children on Wednesday! Each class will be invited in for lunch over the year...keep a look out for your date!

Uniform

Please can we remind all parents to label all items of your child's uniform? It is very difficult, when they all look the same, to reunite clothing with its owner!

**CHILDREN LOSE AN AVERAGE OF
7 ITEMS PER MONTH**

Are you on Class Dojo?

We use Class Dojo to post on pictures and updates of some of the activities carried out in and out of school by all of the year groups. Class teachers will often use this as an easy way to get in touch with parents. If you have not yet signed up, please ask your child's teacher for a code that will allow you to see your child's learning and achievements. Our website also has lots of additional information, updates and news for all of our parents and carers.

Cake Friday! Break Time Cake Sale
